

The logo for work2future is located in the top left corner. It features the text "work2future" in a white, sans-serif font, with a small "SM" trademark symbol to the right. Below this, the words "opportunity • jobs • success" are written in a smaller, white, sans-serif font. The entire logo is set against a dark blue circular background with a torn-paper edge.

work2future<sup>SM</sup>  
opportunity • jobs • success

Welcome to the SJCC &  
work2future Virtual Job Fair!

9/17, 11 AM – 1 PM:  
Construction/Trades/Advanced  
Manufacturing

This is a webinar, so your audio  
and camera have been disabled.

Questions should be written in  
the Q&A feature.

Thank you!

The San Jose City College logo is a purple circle with a decorative, floral pattern. On the left side, the words "SANJOSECITYCOLLEGE" are written vertically in a white, sans-serif font. To the right of this text, the letters "SJCC" are displayed in a large, bold, yellow, sans-serif font.

SANJOSECITYCOLLEGE

SJCC

A sign on a wooden post is located in the bottom left corner. The sign is black with a white border and contains the text "Virtual CAREER FAIR" in white, sans-serif font. The word "Virtual" is written in a red, cursive font above "CAREER".

# LEADERS IN QUALITY UNDERGROUND DRILLING

We specialize in Directional Boring,  
Trenching & Excavating, Concrete  
Structures/Flatwork, and Wireless  
Telecommunications.

## **BORING**

We're a full-service Horizontal Directional Drilling (HDD) company presently servicing the San Francisco and East Bay Areas. We preserve landscape aesthetics by boring under roadways, sidewalks, hillsides and waterways. Our expert HDD Teams have installed thousands of feet of product under various terrains and intrusive environments. Prestige Utility, Inc. has saved contractors, project owners and land developers significant amounts of time and money. Prestige Utility, Inc. offers itself as a turnkey solution for difficult to manage underground drilling projects. We offer the following services:

- Conduit and manhole systems
- Horizontal and directional boring
- Micro-trenching
- Rockwheel trenching
- Remote terminal sites
- Design builds
- Proof and place fiber
- Aerial cable construction and demolition
- Civil site construction
- Engineering and permitting
- Emergency restoration services

## AERIAL CABLE WORK

New build, splicing, fiber installation, and pole transfers. Building strand, lashing/over lashing, vertical grounds, building and repairing aerial telecommunication transmission lines.

We have an outstanding reputation in the industry for new-build, rebuild and upgrade projects in cable systems as well as telephone construction projects. In our many years of telecommunication construction we have seen technical specifications evolve and we have adjusted our methods of construction to meet and exceed those requirements. The core of our company is a large team of veteran cable constructors using an excellent, well maintained fleet of aerial construction equipment.

We have an extensive quality control program and an on-time performance track record.

We meet our customer's demands and deadlines by following tried and true aerial construction methods and systems.

We believe that our company, especially our cable construction department is second to none in the San Francisco Bay Area.

## **TRENCHING**

Prestige Utility, Inc, has worked various trenching project throughout the San Francisco Bay Area. Our clients are our number one priority, and we go the extra mile making sure they're completely satisfied with our work. We're ready to tackle even the most complex trenching projects.

## **FIBER PLACEMENT**

We install fiber optic cable for all major Communication Companies in the western United States. Our expert teams install fiber optic cable; aerial and underground.

## **ENGINEERING**

Prestige Utility also specializes in construction plan development. Our expert AutoCAD teams of civil engineers and drafters stand ready for the development of infrastructure drawings. We also pride ourselves in quickly turning around system as-builts per initial walkout specifications.

**"Complete Door Service Since 1937"**
