A. Director’s Report
Director Melchor gave a general update about work2future programs, including an announcement that in-person classes and workshops will reopen at the San Jose Career Center (Las Plumas Ave) computer lab. She also highlighted two upcoming job fairs: a targeted event for workers impacted by a recent layoff at Amy’s Kitchen scheduled for August 24, 2022 and plans for a larger event with 75+ employers scheduled for September 23, 2022. Ms. Melchor noted that recent in-person events have had higher than expected attendance and she anticipates this trend to continue.

B. Amendment to the Committee Provisions of the By-laws
Strategic Engagement Manager Thoo detailed three proposed amendments to Article VI (Committees) of the Board By-laws that will enable the formation of a Youth Committee as a standing committee of the Board. Mr. Thoo presented two pathways forward in the amendment process: bringing the approved amendments back to the Executive Committee for additional review or bringing them directly to the Board for discussion and approval.

C. Labor Market Update

Strategic Engagement Manager Thoo reported that the unemployment rate in June showed a slight increase, moving from 1.8% to 2.2% for Santa Clara County. Mr. Thoo also pointed out that total employment numbers for the MSA increased by over 10,000 jobs, marking a return to pre-pandemic employment levels. Mr. Thoo reviewed recent job posting data to highlight increased demand for employment and a disparity between the number of job postings and unemployed workers.

FY 2022-23
Budget Reconciliation

{ACTION}
SUBJECT: FY 2022-23 Program Operating Budget Reconciliation for 2021-22 Carry-Over Savings and FY 2022-23 WIOA Formula and Rapid Response Funding Adjustment

RECOMMENDATION

Recommend that the Board approve staff’s proposed adjustments to the Fiscal Year 2022–23 Program Operating Budget as follows:

i) Adjust the Program Operating Budget to reflect a $132,264 decrease in the funding due to the actual savings being less than the projected carry-over amount in the June 2022 Board-approved budget;

ii) Decrease carry-over administrative funding by $5,525;

iii) Increase funding by $215,226 in the WIOA Rapid Response operating budget;

iv) Adjust the Summary of Discretionary Funding sources, both new and carry-over, to $3,944,814.

BACKGROUND AND ANALYSIS

On May 25, 2022, the State of California Employment Development Department (EDD) released its planned allocation for WIOA Adult, Dislocated Worker, and Youth Funding streams for FY22-23. These allocations are based on the allotments to States issued by the U.S. Department of Labor (DOL), as recognized in Training and Employment and Guidance Letter 09-21, dated May 6, 2022. EDD’s allocation for work2future reflected an approximately 18% overall increase from FY21-22 funding.

On June 2, 2022, work2future staff submitted to the Executive Committee and, on June 16, 2022, to the full Board, the Proposed FY 2022-23 WIOA Program Operating Budget. This included the planned WIOA allocation from the State EDD, estimated Rapid Response funding, and projected WIOA Adult, Dislocated Worker, and Youth programs carry-over funding from FY 2021-22.

On August 1, 2022, work2future received its final Rapid Response and Layoff Aversion funding allocation for FY 2022-23.
In addition, in the June 2022 Board-approved Program Operating Budget, work2future included $3,425,172 projected carry-over as of April 30, 2022. In the FY 2021-22 year-end close as of June 30, 2022, actual savings were determined to be $3,292,908. The $132,264 difference will be realigned accordingly in the table below.

Proposed reallocation of the carry-over difference is presented below.

**Non-Personnel Costs**

An additional $60,000 was allocated to Non-Personnel Costs. Due to the relocation of the one-stop center, it was determined that daily security services in the new job center site were not needed anymore. However, on certain events such as job fairs and workshops, work2future may still contract with a City-wide vendor to provide security services on a case-by-case basis.

**Contingency Reserve**

Staff proposes to set aside the decrease in carry-over funding of $192,264 to the Unallocated Contingency Reserve account. This is the “balancing” figure in the budget which is used to augment the current program operating budget should an unanticipated need arises, or if unspent, bridge the funding gap in the program operating budget for the following fiscal year.

**WIOA ADMINISTRATIVE FUNDING**  

The work2future administrative budget decreased by $5,525 from $815,733 to $810,208. The decrease represents reduced carry-over administrative funding from FY 2021-22.

**WIOA RAPID RESPONSE FUNDING**  

Rapid Response grant usually carries a one-year term and workforce development boards need to spend the money within the set timeframe. Otherwise, the State may at its discretion recapture the funds obligated. On June 3, 2022, the State announced an extension of the terms of FY 2021-22 Rapid Response by Formula and Layoff Aversion to September 30, 2022. With this, the unspent Rapid Response funds of $208,157 will be carried over to FY 2022-23 along with the current allocation.

On August 1, 2022, the State of California EDD released the FY 2022-23 Rapid Response final funding allocation to Local Workforce Development Boards. work2future has been allocated $512,371 in both base and lay-off aversion funding, a total funding increase of $6,542 compared to the $505,829 estimated funding submitted and approved by the Board in June 2022. Total Rapid Response funding will now be $720,528 which is composed of FY 2021-22 carry-over funding of $208,157 and FY 2022-23 new allocation of $512,371.
The following are the proposed budget adjustments to the Rapid Response funding and the corresponding financial impact on the operational budget:

The increase in the Personnel and Non-Personnel line-item budgets are due to a Job Fair held September 23, 2022. Furthermore, the increase in the City Overhead will equate to 10% of the FY 2022-23 Rapid Response funding allocation.

**DISCRETIONARY CARRY-OVER AND NEW FUNDING**

All discretionary grants except for the BOS initiative, California Workforce Development Board, and Emerging Needs Local Assistance funding are for a term period that crosses over two or more fiscal years. Thus, unspent funding can be carried over to the remaining months of the grant period and reimbursed only when expenditures are incurred against the grant. On the other hand, the BOS Initiative, California Workforce Development Board, and Emerging Needs Local Assistance funding are ongoing grants for which funding has already been received, and unspent funding has been carried over from one fiscal year to the next until the funds are totally spent.

Also included in this funding group is the on-going funding from the City General Fund of $1.6 million to support the San Jose Works program.

Amendments to Article VI of the By-laws

{ACTION}
TO: EXECUTIVE COMMITTEE  
SUBJECT: Amendments to Article VI of the By-laws  
DATE: October 17, 2022

RECOMMENDATION

Recommend that the Board approve amendments to Article VI of the work2future By-laws, which addresses work2future committees, to provide for the formation of additional standing committees.

BACKGROUND AND ANALYSIS

The Board last amended the work2future By-laws on November 21, 2019. Article VI of the By-laws sets forth provisions for both standing committees and ad hoc committees.

At its meeting on August 18, 2022, the Executive Committee directed staff to “prepare and present at the earliest opportunity for the Board’s consideration and approval such amendments to Article VI (Committees) of the By-laws that will enable the formation of a Youth Committee as a standing committee of the Board.” At the September 15, 2022, meeting of the Board, staff presented the proposed amendments attached for the Board’s review and comment. Board members did not propose any changes to the proposed amendments.

Staff, therefore, requests that the Executive Committee recommend that the Board approve the amendments to Article VI of the By-laws as presented to Board at its September meeting and attached.

The attached changes to Article VI would empower the Board to establish, by resolution, standing committees in addition to the Executive Committee and the Business Services Committee, the latter of which is required under WIOA. The proposed amendments would require the Board, in a resolution to establish a standing committee, to stipulate the committee’s responsibility or purpose and duties, the committee’s makeup, and the manner and process by which committee members are appointed.

The Board’s approval of the amendments proposed would enable the formation of a standing Youth Committee, a recommendation of the Community Youth Forum Mr. Jack Estill presented in his final report on the forum at the June 16, 2022, meeting of the work2future Board. Mr. Estill and Board Chair Susan Koepp-Baker had been designated to represent work2future at the Community Youth Forum.
Should the Board approve the By-laws amendments, it will act immediately afterwards on a resolution to establish a standing Youth Committee.

6.5 Terms of the at-large members of the Executive Committee are two years and they shall be staggered to ensure that only a portion of the at-large membership expires in a given year. To achieve staggered terms, a portion of at-large members shall be elected to one-year terms only in the first election after adoption of these amended By-laws. At-large members shall serve a maximum of two consecutive two-year terms.

6.6 **Executive Committee Chair** — The WORK2FUTURE BOARD Chair shall act as Chair of the Executive Committee, the WORK2FUTURE BOARD Vice Chair as Chair of the Executive Committee in his/her absence, and an Executive Committee Member elected by said committee shall act as Chair of the Executive Committee in the event the Chair and the Vice Chair are absent.

6.96.10 Business Services Committee Composition – The Business Services Committee shall be comprised of Board members who represent the leading industries and employers in the regional economy and potential emerging sectors that have significant potential to contribute to job growth in the regional economy if investments were made for training and educational programs, as well as business executives who are not members of the Board but, nonetheless, represent the kinds of employers described above. The Chair shall appoint Board members to the Committee and the Executive Committee shall elect Committee members who are not on the Board.

6.106.11 Business Services Committee Duties — The Business Services Committee shall further develop and make recommendations for work2future’s business service plan to increase employer involvement in the activities of work2future.

6.116.12 Additional Standing Committees: When it deems it necessary per Article VI, Section 6.3, the WORK2FUTURE BOARD shall form such one or more additional standing committees by resolution approved by a majority of Board members present at a regular meeting. 6.11.16.12.1 The majority of members of a standing committee shall be serving members of the WORK2FUTURE BOARD who shall be appointed for a specified term of committee service by the Board Chair. 6.146.15 Ad Hoc Committee Composition – Ad Hoc Committees may only have as voting members full members of the WORK2FUTURE BOARD. Non-WORK2FUTURE BOARD members may be asked to participate as non-voting members.

6.156.16 All Standing Committee meetings shall be subject to the provisions of the Ralph M. Brown Act and the City of San José’s Consolidated Open Government and Ethics Resolution.

6.166.17 Information regarding meetings of Standing Committees will be made available to WORK2FUTURE BOARD members and the public on work2future’s website.

6.176.18 Except as stipulated in Article 6.7, all actions of the WORK2FUTURE BOARD Standing Committees are advisory to the WORK2FUTURE BOARD unless the WORK2FUTURE BOARD delegates the authority to act on behalf of the WORK2FUTURE BOARD.
IV.D

Formation of a Youth Committee

{ACTION}
RECOMMENDATION

Recommend that the Board, should it approve amendments to Article VI of the work2future By-laws to provide for such, approve the formation of a Youth Committee as a standing committee of the Board, including stipulated provisions for the membership and duties of such a committee, as follows:

a) Duties
   a. Review WIOA Youth Programs and make recommendations to staff, the Executive Committee, and the Board, as necessary and appropriate
   b. Review discretionary grant-supported youth programs and make recommendations to staff, the Executive Committee, and the Board, as necessary and appropriate
   c. Assist in the recruitment of businesses for youth work experience opportunities
   d. Act as a convener for the Board, as outlined in WIOA, of local youth service providers to facilitate the creation of a more unified delivery system that supports the Board’s workforce development activities

b) Membership
   a. A total of nine members, a majority of whom shall be serving members of the work2future Board, including some representation of the Board’s business members
   b. Board members will be appointed to the Youth Committee by the Board Chair
   c. Committee members who are not members of the work2future Board shall be appointed by majority vote of the Executive Committee
   d. Committee members will serve staggered terms of two years, except that in the initial round of appointments one-half of the Board members or of the non-Board members, whichever is the even-numbered group, shall be appointed for a one-year term, and one less than half of the odd-numbered group shall be appointed to a one-year term
   e. Committee members may serve for up to three two-year terms, except that committee members appointed to the initial one-year term may serve three two-year terms in addition to the initial one-year term

c) Meetings
   a. Committee meetings are covered by the Brown Act
b. Four meetings a year, one of which may serve as the convening of a community youth forum

BACKGROUND AND ANALYSIS

At its regular meeting on June 16, 2022, the work2future Board accepted three recommendations from the Community Youth Forum to which Board members Jack Estill and Susan Koepp-Baker had been designated as representatives of the Board. The first of the recommendations was that “the Board should re-establish an ongoing Youth Committee to help guide the delivery of WIOA youth services and to act as a community convenor of youth-supporting organizations throughout our community as outlined in current WIOA regulations.”

The work2future By-laws, as amended in November 2019, stipulate that there “shall be two standing committees”, the Executive Committee and the Business Services Committee, and make no provision for additional standing committees.

At its meeting on August 18, 2022, the Executive Committee directed staff to “prepare and present at the earliest opportunity for the Board’s consideration and approval such amendments to Article VI (Committees) of the By-laws that will enable the formation of a Youth Committee as a standing committee of the Board.” At the September 15, 2022, meeting of the work2future Board, staff presented the proposed amendments attached for the Board’s review and comment.

Item IV.C of the October 20, 2022, Executive Committee meeting agenda recommends that the Executive Committee recommend that the Board approve the amendments to Article VI, thus empowering the Board to establish, by resolution, standing committees in addition to the Executive Committee and the Business Services Committee.

Provided the Board approves the By-laws amendments, the recommendation contained in this memo would then urge the Board to establish a standing Youth Committee with the duty, membership and meeting provisions articulated in this memo. These provisions were developed in consultation with the Executive Committee and with Mr. Estill.

Appointment of Mitesh Shah to the Business Services Committee

{ACTION}
SUBJECT: Appointment of Mitesh Shah to the Business Services Committee

RECOMMENDATION

Appoint Mitesh Shah, Vice-President and Business Unit Head, Tech Mahindra, as a community member of the Business Services Committee effective November 1, 2022, through December 23, 2023.

BACKGROUND AND ANALYSIS

Article VI, Section 6.9 of the work2future By-laws, as amended November 2019, stipulates, “The Chair shall appoint Board members to the Committee and the Executive Committee shall elect Committee members who are not on the Board.”

Pursuant to Section 6.9, therefore, staff requests that the Executive Committee elect Mitesh Shah to serve an initial one-year term on the Business Services Committee.

Mr. Shah is in charge of the regional headquarters in San Jose of Tech Mahindra (Americas), the North American arm of Tech Mahindra, a $6 billion Indian multinational information technology services and consulting company. The IT solutions company has nearly 8,000 associates working in the Bay Area for clients that include easily recognizable companies such as Facebook, Google, Apple, Western Digital, Applied Materials, Intel, and Cisco, as well smaller companies in tech, finance and healthcare. The company’s Bay Area revenues are about $500 million.

2022 Board Elections Preview

{DISCUSSION}
2022 BOARD ELECTIONS PREVIEW

The work2future Board conducts elections as needed for officers (Chair and Vice Chair) and at-large members of the Executive Committee at its final scheduled meeting of each calendar year. This year, that meeting will be the Board meeting on November 17, 2022. As officers and at-large members of the Executive Committee serve two-year terms, and the latter are staggered in pairs, elections will alternate between a larger and smaller number of offices each year.

This year, as the Board’s officers are in the middle of their two-year terms, elections would normally be held for two of the four at-large seats on the Executive Committee. However, if the Board moves ahead with the establishment of a standing Youth Committee, just one at-large seat will be open for election this year, as the By-laws stipulate that the Executive Committee is comprised of the Board Chair, the Board Vice Chair, the chairs of each standing committee and enough at-large seats to bring committee membership to seven. Currently, there is only one standing committee—the Business Services Committee—in addition to the Executive Committee. The Youth Committee, if it is created, will be a third standing committee and its chair will also be a member of the Executive Committee, reducing the number of at-large seats from four to three.

The Executive Committee at-large members whose terms end on December 31, 2022, are Chad Bojorquez and Rafaella Perez. Both are eligible to stand for re-election.

Labor Market Information
LABOR MARKET UPDATE

The U.S. economy has continued to grow, albeit at a slowing pace, adding 263,000 jobs in September after adding 315,000 in August and 528,000 in July.

Local data lags national releases by a month: The unemployment rate in the San Jose-Sunnyvale-Santa Clara Metropolitan Statistical Area (MSA) rose to 2.4 percent in August 2022 from a revised 2.2 percent in July. The rate in Santa Clara County was 2.3 percent, up from an unadjusted 2.1 percent in July.

The MSA added 5,500 non-farm jobs from July 2022 to August 2022, down from the previous monthly gain of more than 10,000. The total number of jobs rose to 1,176,400, compared to the 1,156,500 pre-pandemic peak in February 2020.

Strategic Engagement Manager Lawrence Thoo will present to the Executive Committee a fuller picture of the labor market.
